

Class of 1971 Coming Home Queen Nominee: **Lana Blanton Cliff**

Lana Blanton Cliff was born and raised in Hamlin, graduating in 1971. Lana and her husband, Terry, have been residents of Albany, Texas for more than forty years, but even while living in Lion country, Lana still bleeds a little Piper green. Lana's beautiful family includes two incredible daughters, five grandchildren, and five great grandchildren. In addition, she also has three four-legged "bosses" to keep her in line.

Lana worked for Arrow Ford in Abilene for twenty-five years providing a smiling face and friendly voice whenever one would call or visit the dealership. In her spare time, Lana loves shopping trips with her girlfriends, traveling, reading, spending time on the water, and enjoying her special family time.
