

Class of 1991 Coming Home Queen Nominee: **Laurie Garza**

Upon graduation from Hamlin High School in 1991, I attended Western Texas College and earned a degree in criminal justice. I am employed with the Texas Department of Criminal Justice, where I have been working for thirty years. Family is very important to me, and among those I love spending time with, in addition to my friends, include my parents, Jose and Lucy Garza, my daughters, Andrea and Lauren, four grandchildren, and four sisters. I especially enjoy spoiling my grandchildren.
